[No. 13.]

BANGALORE, THURSDAY, MARCH 27, 1919.

PART IV.

PUBLIC ADVERTISEMENTS.

ENGINEERING DEPARTMENT.

WATER-SUPPLY DIVISION.

Dated 6th March 1919.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water-Supply Division, up to 15th April 1919, for Hardware materials as per separate list attached giving an approximate estimate of quantities which are not guaranteed. The supply should be completed by the 25th April 1919.

2. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

3. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for the supply of Hardware materials for Engine room roofing," in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. The successful competitor whose tender has been accepted must deliver the materials to the Superintendent at the Pumping Station, Soldevanhalli.

List of materials required for the use of Engine room roofing at the Pumping Station, Soldevanhalli.

No.	Particulars	Quantity
